Allowable Subject Matter

1. Claims 1-5, 7-8 and 10-22 are allowed.
2. The following is an examiner's statement of reasons for allowance: the claimed invention is allowed because the prior art of record does not teach or fairly suggest an electrically heatable glazing panel comprising a substrate, a substantially transparent, electrically conductive coating layer, spaced first and second bus bars, in which the first and second bus bars are substantially non-parallel in diverging at least one portion along their lengths, and in which the coating layer comprises a plurality of zones comprising at least a first passive zone and a first active zone, the active and passive zones being provided in the form of strips having substantially parallel sides along their length.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leonid M. Fastovsky whose telephone number is 571-272-4778. The examiner can normally be reached on M-Th. 8.00 am -6.00 pm.
